Since 1983

Pizza Man was established over 30 years ago in June of 1983, in Baldwinsville, New York. Since the beginning, we have been dedicated to serving a high-quality product. We use fresh ingredients and make our dough and sauce on-premises daily. Our pizza and wings have won numerous awards at the annual Taste of Baldwinsville competition. In December 2007, we expanded and opened a pub offering an expanded menu and seating for 60 people. The focal point of our Pub is a beautiful, old-style mahogany bar, which features 17 draught and over 20 bottled beers. The Pub showcases some of the best live musical talent in Central New York most Friday and Saturday nights. Visit our website at www.pizzamanville.com for all current information.
